

«Rusagro group trusts ACG «DELOVOY PROFIL» (GGI) Due Diligence procedure»

ACG «DELOVOY PROFIL» strengthens partnership started in 2015 within financials' audit with Rusagro group. In 2016 companies landed a contract, according to which the Group's experts would render complex services including review of a number of entities' financial and operational activities in the field of accountancy and tax for one of the leading agro-industrial companies of Russia.

Rusagro company, established in 2003, became one of the largest agricultural and food holdings. Rusagro implements activities in four main directions: crop farming, sugar factory, swine rearing (pig breeding) and fat-and-oil business. According to the investment banks' information Rusagro group is acknowledged as the most profitable and fast-growing company in the CIS customer segment in 2015.

Audit and consulting group «DELOVOY PROFIL» enters TOP-10 of Russian largest auditors and consultants, and is also ranked 4th in the field of tax and financial consulting. For more than 20 years the Group renders professional services to the market leaders including agricultural and food companies among which are Agroprom holding, Russian product group, organizations of Vnesheconombank and others.
